Statement of Nutritional Support - Maxi FE 25

Pursuant to 21 CFR Part 101.93, Maxi Health Research, Inc. is filing the following Statement of Nutritional Support for the Dietary Supplement marketed as Maxi FE 25:

- 1) Name and Address of Distributor: Maxi Health Research, Inc., 1309 Avenue U, Brooklyn, New York 11229
- 2) Text of Nutritional Support Statement being made "Low iron levels are the most common and prevalent mineral deficiency in the United States. Menstruating and pregnant women, athletes, and vegetarians may all have difficulty getting adequate iron supplies from their food. Anyone who may not eat a balanced diet is at risk for low iron levels. Iron is critical component of hemoglobin that transports oxygen to your muscles..."
- 3) Name of dietary ingredient: Chelated Iron(Ferrous Fumerate) with Enzymax®, a registered trademark of a vital digestive enzyme complex that aids digestion
- 4) Brand Name: Maxi FE 25 Dietary Supplement
- 5) Substantiation information on file at the company office. The corporate officer who can certify same is Isreal Brecher, VP of Sales & Marketing

Yours truly,

Isreal Brecher
